

Football - Head Varsity Coach Job Description

The Kohler / Lutheran / Christian (KLC) football program is looking for a new head coach to build upon the success of this rejuvenated football program.

KLC is comprised of three high schools -- Kohler High School, Sheboygan Lutheran High School and Sheboygan Christian High School. Kohler High School is the lead/host school of the football program.

The team enjoys great community support, with many pieces in place to continue to build on the recent successes of the team. KLC competes in the Big East conference and has made the WIAA playoffs at the division 4 level each of the last two seasons. This is an excellent opportunity for an energetic and qualified candidate.

The football program has been rebuilt in part to a cohesive effort set up in total partnership with a youth feeder program. The youth program takes its direction from the High School program so that it develops high school-ready players.

An ideal coaching candidate is a high energy individual that should possess the following:

Required:

- An understanding of how to build and maintain a successful football program
- Previous coaching experience
- Previous playing experience
- An understanding of the WIAA and NFHS guidelines and rules of football
- Knowledge and ability to put together daily practice and weekly game plans to maximize the likelihood of success
- The ability to lead kids within the feeder schools and high schools of the co-op
- Ability to create, implement, and facilitate an off season weight training/conditioning program
- Ability and willingness to work closely with the youth levels to maintain a comprehensive and successful 5th-12th football program.
- Ability to network with community leaders to build additional support for the program
- Ability to maintain and stay within a program budget

Preferred:

- Prior head coaching experience and/or coaching experience preferably as a high school coordinator or above
- Willingness to participate in professional development to improve football and leadership knowledge base

Interested applicants should submit a cover letter, resume and references through WECAN or directly to:

Joseph Hildebrand

Director of Athletics & Activities
