

The Salvation Army of Sheboygan Gift Ideas for Toy Shoppe

Things to keep in mind: We are family friendly, so we will not distribute certain themed items. Also, from years of experience, we know that certain items are not popular anymore and are not selected. Games are distributed as a family gift, not as individual gifts.

With that in mind, please avoid the following items.

- Used Items
- Themes: Halloween, zombies, witches, ghosts, vampires, monsters, skulls or anything else that is extremely violent or evil looking.
- Guns: with the exception of Nerf items and water guns that do not look like real guns.
- Barbie dolls, Chutes & Ladders and Candyland
